

"City Lights"

City lights, in my eyes
Mmm, maybe I am lost in time
(It's never easy to leave your home)
Oh, I got to keep moving
I got to be strong

I'm sleeping while the world is spinning around
Dreaming of a lover I once had
(Uuh)
Waiting for the moment, waiting for the moment, waiting for the moment
To come back, yeah to come back

But it will never be, never be, never be the same again
No it will never be, never be, never be the same again
It will never be, never be, never be the same again

It's my life, and I will survive
Mmm, maybe I found a new place to hide
(It's never easy to leave your home)
Oh, I got to keep moving
I got to be strong

I'm sleeping while the world is spinning around
Dreaming of a lover I once had
(Uuh)
Waiting for the moment, waiting for the moment, waiting for the moment
To come back, yeah to come back

But it will never be, never be, never be the same again
No it will never be, never be, never be the same again
Well it will never be, never be, never be the same again
No it will never be, never be, never be the same

And I'm dreaming (never be, never be) Yes I'm dreaming (never be the same again)
and it will never be the same again

Oh I'm dreaming (never be, never be)
Yes I'm dreaming (never be the same again)
Yes I'm dreaming, Yes I'm dreaming

And it will (never be, never be) never be
It will never be (never be the same again)
No it will never be the same again
